features & benefits

PenaltyProtect provides you an new income opportunity, by allowing you to target clients who do not purchase more expensive Management Liability.

It is the perfect enhancement to a group or affinity insurance programme, and can be badged to suit your affinity partner's requirements. The coverage, pricing and badging opportunities are certain to add value to your affinity partner's brand.

Obtaining quotations and effecting coverage is easy, offering simple to use on- line quoting, placement and policy production.
